LETTER FROM THE BOARD

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendix to this circular.

Yours faithfully,
By order of the Board
Lai Chee Ying, Jimmy
Chairman

“Subsidiary Share Option Scheme” shall mean the new proposed share option scheme of Anyplex, Dynamic Interactive, Next Mobile or Sharp Daily, as the case may be.

The following is a summary of the principal terms of the Subsidiary Share Option Scheme:

1. The purpose of the Subsidiary Share Option Scheme is to provide the Subsidiary Share Option Scheme Participant(s) (as described in paragraph 3 below) with the opportunity to acquire proprietary interests in the Subsidiary and to encourage them to work towards enhancing the value of the Subsidiary and its shares for the benefit of the Subsidiary and its shareholders as a whole. The Directors believe that the authority given to the board of directors of the Subsidiary under the respective Subsidiary Share Option Scheme to determine the eligibility of any Subsidiary Share Option Scheme Participant of any option based on his or her contribution and specify any minimum holding period and/or performance target as conditions in any option granted and the requirement for a minimum subscription price will serve to protect the value of the respective Subsidiary and achieve the purpose stated above.
2. The Subsidiary Share Option Scheme is to be administered by the board of directors of the Subsidiary, and the decisions of the board of directors of the Subsidiary shall be final and binding on all parties. The board of directors of the Subsidiary shall have the rights to (i) interpret and construe the provisions of the Subsidiary Share Option Scheme, (ii) determine the persons who will be offered options under the Subsidiary Share Option Scheme, and the number of shares and subscription price, subject to the terms described in paragraphs 6, 7 and 11 below, in relation to such options, (iii) subject to the terms described in paragraph 21 below, make such appropriate and equitable adjustments to the terms of the options granted under the Subsidiary Share Option Scheme as it deems appropriate, and (iv) make such other decisions or determinations as it shall deem appropriate in the administration of the Subsidiary Share Option Scheme.
3. The Subsidiary Share Option Scheme Participant(s) include:-
 - (i) any full-time employee(s) of the Subsidiary or any of its subsidiaries;
 - (ii) directors of the Subsidiary or any of its subsidiaries; and
 - (iii) any person(s) whether or not an employee(s) or officer(s) of the Subsidiary or any of its subsidiaries who the board of directors of the Subsidiary considers to be able to enhance the operations or value of the Subsidiary.
4. The board of directors of the Subsidiary is entitled, at any time on a Business Day within the period commencing from the adoption date of the Subsidiary Share Option Scheme and expiring on the earlier of (a) the date of Listing or (b) the tenth anniversary of the adoption date of the Subsidiary Share Option Scheme, to make an offer to any Subsidiary Share Option Scheme Participant in its absolute

discretion to take up an option, pursuant to which such Subsidiary Share Option Scheme Participant may subscribe for such number of shares in the Subsidiary as the board of directors of the Subsidiary may determine at the subscription price.

5. Each grant of options to any director, chief executive or substantial shareholder of the Subsidiary or of the Company, or any of their respective associates (as defined in the Listing Rules), shall for so long as the Subsidiary remains a subsidiary of the Company, be approved by the independent non-executive directors of the Company (excluding any independent non-executive director who is the proposed grantee of the options). Where any grant of options to a substantial shareholder or an independent non-executive director of the Company, or any of their respective associates, would result in the shares in the Subsidiary which may be issued and to be issued upon exercise of all options already granted and to be granted (including options redeemed, exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:-
 - (i) representing in aggregate over 0.1% (or such other percentage as may from time to time be specified by the Stock Exchange) of the shares in the Subsidiary in issue; and
 - (ii) having an aggregate net asset value, assuming such options were exercised, based on the then latest audited consolidated accounts of the Subsidiary, in excess of HK\$5 million (or such other amount as may from time to time be specified by the Stock Exchange).

such grant of options must be approved (voting by way of poll) by the Shareholders by resolution on which all connected persons (as defined in the Listing Rules) of the Company must abstain from voting (except that any connected person may vote against the relevant resolution at the general meeting provided that his or her intention to do so has been stated in the circular to be sent to the Shareholders in connection therewith).

6. The overall limit on the number of shares in the Subsidiary which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Subsidiary Share Option Scheme and other share option schemes of the Subsidiary must not exceed the Subsidiary Scheme Limit (being 30% of the shares in the Subsidiary in issue from time to time and as at the date of adoption of the Subsidiary Share Option Scheme, 30% of the shares in issue of each of Anyplex, Dynamic Interactive, Next Mobile and Sharp Daily are 3,000,000 shares respectively). No options will be granted under the Subsidiary Share Option Scheme at any time if such grant will result in the Subsidiary Scheme Limit being exceeded.

The total number of shares in the Subsidiary which may be issued upon exercise of all options to be granted under the Subsidiary Share Option Scheme and all other share option schemes of the Subsidiary shall not exceed the Subsidiary Scheme

Mandate Limit (being 10% of the shares in the Subsidiary in issue as at the adoption date of the Subsidiary Share Option Scheme, equivalent to 1,000,000 shares of each of Anyplex, Dynamic Interactive, Next Mobile and Sharp Daily respectively), subject to refresher of the Subsidiary Scheme Mandate Limit as referred to below. Options lapsed in accordance with the terms and conditions of the Subsidiary Share Option Scheme or any other share option schemes of the Subsidiary shall not be counted for the purpose of calculating the Subsidiary Scheme Mandate Limit.

The Subsidiary may refresh the Subsidiary Scheme Mandate Limit at any time subject to prior approval of the shareholder(s) of the Subsidiary and for so long as the Subsidiary remains a subsidiary of the Company, the prior approval of the Shareholders in general meeting. However, the Subsidiary Scheme Mandate Limit as refreshed must not exceed 10% of the shares in the Subsidiary in issue as at the date of the approval of the shareholder(s) of the Subsidiary and (as applicable) Shareholders' approval or if the date of the said approvals are different, the later date of approval. Options previously granted under the Subsidiary Share Option Scheme and any other share option schemes of the Subsidiary (including those outstanding, cancelled or lapsed in accordance with the schemes or exercised) will not be counted for the purpose of calculating the limit as refreshed. A circular with relevant information as required under the Listing Rules must be sent to the Shareholders (for so long as the Subsidiary remains a subsidiary of the Company) and the shareholder(s) of the Subsidiary in connection with the meetings at which their approval will be sought.

The Subsidiary may seek separate approval of its shareholder(s) and, for so long as the Subsidiary remains a subsidiary of the Company, the Shareholders in general meeting for granting options beyond the Subsidiary Scheme Mandate Limit provided the options in excess of the Subsidiary Scheme Mandate Limit are granted only to Subsidiary Share Option Scheme Participants specifically identified by the Subsidiary before such approval is sought. A circular with relevant information as required under the Listing Rules must be sent to the Shareholders (if necessary) and the shareholder(s) of the Subsidiary containing, amongst others, a generic description of the identified Subsidiary Share Option Scheme Participants, the number and terms of the options to be granted, the purpose of granting options to the identified Subsidiary Share Option Scheme Participants, and any explanations as to how the terms of these options serve such purpose.

7. The total number of shares in the Subsidiary which may be issued and to be issued upon exercise of the options granted and to be granted to each Subsidiary Share Option Scheme Participant or grantee (including both redeemed and outstanding options) in any 12-month period must not exceed 1% of the shares of the Subsidiary in issue. Any further grant of options (including redeemed, cancelled and outstanding options) to a Subsidiary Share Option Scheme Participant or grantee in excess of 1% of the shares of the Subsidiary in issue must be subject to

separate approval by the shareholder(s) of the Subsidiary and, for so long as the Subsidiary remains a subsidiary of the Company, separate Shareholders' approval in general meeting of the Company with such grantee and his or her associates (as such term is defined in the Listing Rules) abstaining from voting. A circular with relevant information as required under the Listing Rules must be sent to the shareholder(s) of the Subsidiary and, for so long as the Subsidiary remains a subsidiary of the Company, the Shareholders disclosing, amongst others, the identity of the Subsidiary Share Option Scheme Participant or grantee (as the case may be) and the number and terms of the options granted and proposed to be granted. The number and terms (including the subscription price) of options to be granted to such grantee must be fixed before Shareholders' approval(s) is(are) sought and the date of the board meeting of the Subsidiary for proposing such further grant should be taken as the date of grant.

8. The board of directors of the Subsidiary will determine and inform all grantees the relevant exercise period of the options. In any event the option period shall end on a date not later than the date falling six months prior to the lodgement of an application with the relevant stock exchange for the Listing or 10 years from the date of adoption of the Subsidiary Share Option Scheme, whichever is the earlier.
9. The Subsidiary Share Option Scheme does not specify the requirements as to minimum period for which an option must be held or minimum performance targets that must be reached before the option can be exercised in whole or in part. The offer shall specify the terms on which the option is to be granted. Such terms may include (i) minimum periods for which an option must be held; and/or (ii) minimum performance targets that must be reached before the option can be exercised in whole or in part; and/or (iii) such other terms as may be imposed at the discretion of the board of directors of the Subsidiary either on a case-by-case basis or generally.
10. An offer shall be deemed to have been accepted and the option to which the offer relates shall be deemed to have been granted when the duplicate of the offer letter comprising acceptance of the offer duly signed by the grantee with the number of shares in the Subsidiary in respect of which the offer is accepted clearly stated therein, together with a remittance in favour of the Subsidiary of HK\$10.00 by way of consideration for the grant thereof, is received by the Subsidiary within 14 days from the date on which the letter containing the offer is delivered to the Subsidiary Share Option Scheme Participant. Such remittance shall not be refundable in any circumstances.
11. (i) Subject to paragraph 11(ii) below, the subscription price shall be determined solely by the board of directors of the Subsidiary with reference to factors which may include the business performance, value of the Subsidiary and individual performance of the relevant grantee but shall always be higher than or equal to the nominal value of a share of the Subsidiary.

- (ii) No option may be granted (or if granted before then will automatically lapse) either after the Subsidiary has resolved to seek a Listing or during the period commencing 6 months before the lodgement of an application with the relevant stock exchange for the Listing and at any time thereafter.
12. The shares in the Subsidiary to be allotted upon the exercise of an option will be subject to all the provisions of the articles of association of the Subsidiary for the time being in force and will rank *pari passu* with the fully paid shares in issue at the time when the name of grantee is registered in the register of members of the Subsidiary. Prior to the grantee being registered in the register of members of the Subsidiary, the grantee shall not have any voting rights, or rights to participate in any dividends or distributions or any rights arising on a liquidation of the Subsidiary, in respect of the shares to be issued upon the exercise of the option.
13. Subject to the provisions of the rules of the Subsidiary Share Option Scheme, the Subsidiary Share Option Scheme shall be valid and effective for the period set out in paragraph 4. After the Listing or the expiry of the 10-year period from the date of adoption of the Subsidiary Share Option Scheme, whichever is earlier, no further options shall be granted and no options shall be exercisable.
14. An option shall lapse automatically (to the extent not already exercised) on the earliest of:
- (i) the expiry of the option period as stipulated in the offer letter;
 - (ii) the date of the commencement of the winding-up of the Subsidiary;
 - (iii) on termination of the Subsidiary Share Option Scheme in accordance with paragraph 18 below;
 - (iv) the expiry of the Subsidiary Share Option Scheme in accordance with paragraph 13 above;
 - (v) the date when the Subsidiary resolves to seek a Listing;
 - (vi) the date which is six months before the lodgement of an application by the Subsidiary for a Listing;
 - (vii) the date on which the grantee commits a breach of paragraph 19 below; and
 - (viii) the date on which the grantee ceases to be a Subsidiary Share Option Scheme Participant.
15. In the event of any capitalisation issue, rights issue, sub-division or consolidation of shares or reduction of capital of the Subsidiary, while any option granted remains exercisable, such corresponding adjustment (if any) shall be made to (a) the number of shares subject to any option so far as such option remains

unexercised and subject to the Subsidiary Share Option Scheme and/or (b) the subscription price, provided that any such adjustment must comply with Chapter 17 of the Listing Rules, the supplemental guidance issued on 5 September 2005 by the Stock Exchange entitled “Supplemental Guidance on Main Board Listing Rules 17.03(13)/GEM Listing Rule 23.03(13) and the note immediately after the Rule” and any future guidance/interpretation of the Listing Rules issued by the Stock Exchange from time to time.

No such adjustment shall be made the effect of which would be to enable a share in the Subsidiary to be issued at less than its nominal value.

16. Any options granted but not exercised may be cancelled and new options may be granted to the grantee provided that such new options fall within the limits prescribed by the provisions of the Subsidiary Share Option Scheme, excluding the cancelled options, and are otherwise granted in accordance with the terms and conditions of the Subsidiary Share Option Scheme. The grantee shall not be entitled to any redemption or compensation or benefits whatsoever and shall have no claim against the Subsidiary.
17. The shares issued on exercise of the options will on issue be identical to the then existing issued shares of the Subsidiary.
18. The Subsidiary by ordinary resolution of its shareholder(s) or the board of directors of the Subsidiary may at any time terminate the operation of the Subsidiary Share Option Scheme and in such event no further options will be offered or granted. Options which are granted during the life of the Subsidiary Share Option Scheme and remain unexpired immediately prior to such termination shall lapse immediately upon termination of the Subsidiary Share Option Scheme.
19. An option shall be personal to the grantee and shall not be assignable and no grantee shall in any way sell, transfer, charge, mortgage, encumber or create any interest in favour of any other person over or in relation to any option. Any breach of the foregoing shall entitle the Subsidiary to cancel any outstanding option or part thereof granted to such grantee without incurring any liability on the part of the Subsidiary.
20. The Subsidiary shall, subject that the grantee having fulfilled the terms and conditions of the options (if any), redeem and cancel a particular option by paying the grantee in cash at the subscription price in the earliest of any the following circumstances before the Listing:
 - (i) upon the grantee ceasing to be a Subsidiary Share Option Scheme Participant for any reason (other than his or her resignation or on the grounds that he or she has been guilty of serious misconduct, or has committed any act of bankruptcy or has become insolvent or has made any arrangements or composition with his or her creditors generally, or has been convicted of any

- criminal offence involving his or her integrity or honesty or (if so determined by the board of directors of the Subsidiary) on any other grounds on which the Subsidiary or its relevant subsidiaries would be entitled to terminate his or her employment at common law or pursuant to any applicable laws or under the grantee's service contract with the Subsidiary or its relevant subsidiaries or as a result of mandatory dismissal under the relevant laws and regulations);
- (ii) upon the change in control of the Subsidiary (other than pursuant to a reorganisation for the Listing) and for the purpose of this paragraph 20(ii), "change in control" occurs when the Subsidiary ceases to be a subsidiary of the Company; and
